

**ASPC Minutes:** 04/11/2009

**Meeting called to order:** 7:45pm by President Pete Nicka

**Sec Report:** The minutes were read and accepted

**Treasurers Report:** N/A

- Cassie reported that the people in the red were in decline. Our CD will roll over this year and the interest rate will also decline.

**Pop & Beer Report:** N/A

- Ben Kellogg reported that the Choo-choo ride was fun. He also said he turned all of his money over to the treasurer last month. Ben also said he did not need "seed money" for this year, since he collected enough this month.

#### **Old Business:**

1. Banquet: Cassie reported that 56 people attended at a price of \$25 single and \$45 couple. Our cost was \$22 a plate. Rick Kuhns wanted to thank the banquet committee (Cassie, Jimmy, Ben, Barb, and Paul) for the outstanding job they did. The new drawing created by Shawn Meyer for those who remained in the black for the whole year was a good idea and will be continued. Cassie said that she put a deposit down for next year, which will again be at the East Liverpool Motor Lodge on the 3rd weekend of March.
2. Larry Hayhurst volunteered his brother to run an accuracy camp for the fun jumpers in the club. The camp is set for the beginning of May. Some thought that a spotting camp could be organized and Pete would benefit. Jeff Landers landed off while on the radio, so finding the airport might be a new problem.
3. Cassie said that the people in the red are fewer. The biggest offenders are Evan Schmidt and Jonathan Durand.
4. Cassie also said that the T-shirts are ready and if you ordered one all you need to do is pay for it.
5. Robb Schere found a furnace filter for our furnace, on the island of misfit filters.
6. Paul reported that safety day went well even if it was jumpable. Pete Nicka was presented the first Chesney H. Judy award. Since had exhibited a truly caring attitude towards students and the sport. Although most everyone strives to be safety conscious at the ASPC. Paul did however voice his concern that people need to go over their emergency procedures, from what he saw they were really rusty.

#### **New Business:**

1. Cassie Drummond thought the picnic tables needed tending to. Jimmy priced new wood and Cassie welcomed the change. The cost was around \$150 for both tables. A motion was made by Larry Hayhurst to purchase the wood and seconded by Henry Landgraaf. Motion passed. Robb Schere and Jimmy Drummond volunteered to fix the tables on a crappy day.
2. Kay Kuhns noted that USPA fee were going up. Instructional rating holders should beware.
3. Cassie Drummond asked about water training. Paul Waschak said he would post a sign up sheet on the refrigerator for those interested. So far those that need trained included Ron, Ken Q., Pete, Jeff, and James from Grove City. Geronimo asked if we would be needing his services. A tentative date is "sometime in July."
4. Shawn Meyer asked about night jumps. After some discussion everyone agreed that they though the next full moon would be in 23 days. So maybe sometime around then.
5. Jim Barger was hymmed for his delicious award winning chili and vegetable soup that he brought out. Jim Missed first place in Columbus by the narrowest of margins, one point. He was tops with us though.
6. Shawn Meyer suggested having a party of some kind in the fall. Ken Quella suggested pumpkin carving. A Halloween party was suggested by Paul Waschak. Shawn will look into having something. If anyone has ideas or a date get with Shawn.
7. BBQ: We need a DJ! Neal McCollum was suggested again. Paul will call Chris Gear and try to set it up. The price will be the same as the banquet. \$25 single \$45 couple. The BBQ committee will be Cassie, Jimmy, Sam, and Pete. They will send out flyers like the banquet also. It will be the third week in August the 15th to be exact. 52 people attended last year. Shawn Meyer said he would be glad to run another fun meet.
8. Rick Kuhns announced that Jimmy Drummond earned his Tandem Instructor/Examiner rating earlier this year. Jimmy was hymmed. Tim Weigle was the first to earn a tandem rating from Jimmy Case O' BEER!! Actually it was just a renewal, which means it was the first time Tim let his rating lapse and renewed it, CaseO'Beer!!!
9. Cassie said that Jimmy competed in Florida earlier and placed 3rd, which entitled him to a new Tony Style Suit.

**New Members:****Ed Wiancko**

Ed is another computer guy; he is married to Janet for three years. He started jumping in 1991 after watching the movie "Point Break" and developing a crush on Patrick Swazye. He started at "The Farm" near Ford city. He felt that since he jumps here now he wanted to join the "family." He also said that he knew he would not jump enough to pay the dues, but that joining the club was the right thing to do. He has 925 jumps, and likes to do RW. He did not bring his Case O' Beer. *Voted in.*
