

ASPC Minutes: 12/13/2008

Meeting called to order: 7:06pm by VP Ben Kellogg

Sec Report: The minutes were read and amended to show that Henry Landgraff did indeed come to the meeting very late, just to beat the club out of another \$16.

Treasurers Report: N/A

Pop & Beer Report: N/A - Ben said that we would start next year with a new slate.

Old Business:

1. Ben Kellogg called those in the red last month. Jimmy Drummond called this month and only Randy Persi paid up the rest as of this date have not paid their bill.
2. Ben asked if we ever got the DVD of the Batman demo. Tim Weigle said he would see if he could get it.
3. Rick Kuhns reported that the furnace had been serviced. Oil filters were changed and motor lubed. Rick said that it hadn't been serviced in a long while
4. SOS jump: Kay Kuhn's said that the event made "Skydiving" magazine but was not in "Parachutist" since they needed a different picture than was printed in "Skydiving". Kay sent another picture.
5. Ben Kellogg mentioned that the club will celebrate its 50th anniversary in 2010 and will be celebrated at the banquet that year. Ben suggested getting together memorabilia for the event. Kay said that she was getting addresses
6. This years banquet committee will be Cassie Drummond, Paul Waschak, and Barb Kellogg.
7. Ben Kellogg displayed the group membership certificate that we paid for last month.
8. AZ TRIP: Ben Kellogg announced that there would be about 20 club members in attendance. He inquired about high altitude jumps and found that they need at least 15 people to make it happen. The cost would be \$25-32.
9. Skydivericks.com team was hymned for their achievements this year.
10. It was announced that Mickey Long has quit jumping since his shoulder still is bothering him.

New Business:

1. Kay said that she received a 20-year membership certificate for Don Unkeefe and forwarded it to him.
2. Rick Kuhn's said that he was talking to Jim Barger and found that it would be a good idea to keep the club computer in a warmer place. Provisions for doing so were made.
3. Kay Kuhn's said that she received a Christmas card from Ernie Kramer.
4. Cassie Drummond announced that she could procure T-shirts for the club but needed to know who wanted them and what colors and styles to get. It was decided to get gray shirts with maroon print. Prices will be \$12 short sleeve, \$15 long sleeve and 18 for a sweatshirt. Kay motioned to buy 4-doz. S, M, L, and XL. Judy Gwynne seconded the motion. Motion passed.
5. Ben Kellogg announced that the 180-day repack cycle would begin on December 19th. Kay said that she needed to call SSK to see about the graced period. Right now cypress has a 120 grace period, and she was not certain that it would increase but she'll find out.
6. Kay announced the fishin' trip. There will not be any gear for student S/L. however FF students could still jump. She also mentioned that ALL the rest rooms would be closed. She specifically singled out the trusted secretary and said that he would not be able to take a shit. A discussion then took place on who really shit or pee'd and where they could go if need be. The secretary said he pee'd more that shit and suggested a toilet paper holder be placed on the back of the clubhouse for those that need to shit since it probably would not be him. The secretary is well versed in peeing out doors.
7. Dave George announced that honorary club member and chief jump pilot Jim Barger had come in second place (by one point) at a chili cook off in Columbus OH. He would be presented with an apron that Dave modeled for us.
8. Rick Kuhn's thought it would be a good idea to put motion detectors on the lights behind the clubhouse so people would not be in the dark going to their cars at night and possibly step in a pile of shit. Cassie Drummond motioned to get a motion detector. Seconded by Sam McWilliams. Motion passed.
9. Tom Capiross was impressed by the motorized plane pusher Tim Weigle made for Rick. Tim said it still needed some tweaking.
