

**ASPC Minutes:** 12/12/2009

**Meeting called to order:** 7:06pm by Vice President Ben Kellogg

**Sec Report:** The minutes were read and accepted

**Treasurers Report:** Was read by Cassie Drummond, who explained that since she did not have all the information from the jump bills, she could not give a complete report. However, she did give a report of last month.

**Pop & Beer Report:** Ben Kellogg gave the report and said that the report of last month did not reflect the true picture that the Secretary reported, blame the secretary! But, he did say that this report better reflected what needed to be reported in the report.

**Old Business:**

1. Cassie Drummond corrected the minutes to reflect that there is not a "website" on Yahoo! For the anniversary banquet. There is an e-mail address, which is ASPCreunion@yahoo.com. Damn the secretary all to hell!!
2. Kay Kuhns said that the OHIO state record for most jumps in a 24-hour period has been straightened out. Cory McKusker and Jimmy Drummond have been recorded as the record holders at 101 and 150 respectively. Kay also said that the damn secretary didn't get that it was Bob Tyson who contacted Sherry Butcher about the matter and not her. Screw the secretary!
3. Paul Waschak asked Henry Landgraaf out the lights for the clubhouse. He said, "keep you pants on and don't worry about it" he's still looking into it.
4. Kay Kuhns said that the picnic tables were put away.
5. Henry asked about the winter trip. He wanted a count as to how many were going. Several of us are house poor now so the short answer is not many. It was suggested that he book a room at the Sky rider motel incase things change.
6. Rick Kuhns asked about the banquet. Cassie Drummond reported that just about everything is in place and that it will be at the East Liverpool Motor Lodge on March 20th. Committee will be Cassie, Ben & Barbara, Shawn and the damn secretary.

**New Business:**

1. Ben Kellogg announced that Steve O' had earned his A-License. Steve O' has been our favorite project this year in his quest to learn how to skydive. He has been out almost daily jumping his ass off. Steve O' will be leaving to live in sunny San Diego next week. He was hymned. Good luck and god speed, blue skies (which I'm sure San Diego will have).
2. Skippy (Our former project) will be in town next week and may stop in, weather permitting. He said he might even stop in for the New Year day jumping.
3. Rick Kuhns said that Chuck Rice wants to be put on the inactive list for next year. Where is Chuck anyhow??
4. Kay Kuhns was presented her 2000 jump wings and was hymned several times till we got it right. Cassie Drummond was presented her 1000 jump wings and hymned after all the practice.
5. Ben Kellogg announced that the club membership for the ASPC was due and we needed to vote on whether we wanted to continue it for a mere \$250. A vote was taken, and we will continue to be a USPA member.
6. Kay Kuhns announced that this year's instructor meeting would NOT take place on Safety Day. It will be more in-depth than previous years.
7. Rick Kuhns gave his famous annual cold weather jumping talk. A cold weather jump ain't the same as any other jump. Less tactile feel, more clothes changing handle positions, and slower reaction times to name a few things to watch out for.
