

ASPC Minutes: 2/8/2003

Meeting called to order: 7:03pm by Pres. Bob Tyson

Sec Report: Minutes of the previous meeting were read and accepted.

Treasurers' Report: N/A

Pop & Beer Report: N/A

Old Business:

1. Arizona: Tom Capiross said that the Arizona trip, A.K.A. Fun meet west, is becoming less and less likely to happen. No One can agree on a date and certain other members are going to Florida for a CRW camp the 28,29, &30th of February. Also of note, Mark Ungerman broke his collarbone doing that stupid skiing thing.
2. TV: The club will not get a TV donated, because Judy has turned into the Holiday Inn grinch. We will have to go out and purchase one. The other half of the family, Cathy, has a son that works at Sam's club and Cathy will see if she can cut a deal. Jonathan wanted to know how much we were paying an inch. A motion was made by Paul Waschak to allot \$200.00 to purchase a TV, seconded by Judy, vote passed.
3. BANQUET: Bob says the banquet is set.
4. SAFETY DAY: Will be March 8th. Tom Capiross will run things, since Paul has to work. Paul did contact Jim Crouch however and the big thing that USPA is keying on are canopy control and emergency procedures. It would probably be a good time to have your equipment checked out. A briefing by a pilot on weight and balance would also be beneficial.

New Business:

1. Kay is making a new phone list for this year. If your phone number has changed contact Kay.
2. Bob announced that our pilot Chaz Pardue and wife Angela had a little girl Layoni Gabriella. They are all doing well.
3. Randy announced that there was a group of people going to Z-hills the last weekend of February through the beginning of March. There is a CRW camp and RW stuff happening.
4. Rick suggested that if you have a Cypress AAD now would be a good time to have it serviced. If it has to be sent back it could take 6 to 8 weeks to get it serviced. Some Cypress's are going to be at the end of their life. Randy heard rumors that Airtec may give a nominal fee as a trade in.
5. Bob announced that it was past due if the ASPC wanted to renew it's group membership in the USPA. It's past due because Bob forgot about it. Bob made a motion to renew the membership, seconded by Joannie Kingsley, vote passed. Rick made note that on the website it is confusing as to who is a USPA group member, Rick's or ASPC, and asked Bob to see if he could clarify it to show that the ASPC is the group member and not Rick's.
6. Rick also noted that since we turned off the pop refrigerator the electric bill has gone down significantly, and suggested we look at maybe getting a newer one.
7. Rick also announced that Bill Gwynne was the last ASPC member to jump 9999B because it is going to sit until it is sold. Howard Linsenbigler was the first one to jump it. How ironic.
