

ASPC Minutes: 02/14/2009

Meeting called to order: 7:39pm by President Pete Nicka

Sec Report: The minutes were read and accepted

Treasurers Report: N/A

- Cassie reported that since the Kuhn's were fishin' and Pete is still getting organized there was no way to make the report, but here is the Dec. report
- Cassie also gave a year-end report but it just didn't add up, so she'll give another report that will add up next month.

Pop & Beer Report: N/A

Old Business:

1. A discussion took place about people in the red. It was decided that we will be more vigilant in letting members know that they are in the red so they will not get a "Surprise" penalty. If you are in the black in December and dues push you into the red you have a grace period until March. If, on the other hand, you are in the red in December then a penalty will be assessed until you pay up. Either case the officers will contact you before any penalty is assessed.
2. Jimmy Drummond thought that the "honorary Trustee" position should be renamed Honorary Trustee Emeritus. So motioned and seconded and passed.
3. Randy Persi, being concerned about skydiving and all, asked if we could get a better selection of beer. A discussion on beer took place and several were drunk. Ask Ben, and as long as it is not super high priced beer we're pretty sure Ben will buy it.
4. Jimmy Drummond noted that Joe Jaron took care of putting motion detectors on the club lights out back.
5. BANQUET: Will be at the East Liverpool Motor Lodge at 6PM Dinner at 6:30PM
 - Cash Bar
 - Live band in the motel bar & there is a cover charge
 - Mountaineer casino is 10 minutes away
 - Rooms are under ASPC and are \$73 a night
 - RSVP Cassie 2412 Bears Den Rd. Youngstown, OH 44511
 - Cost \$25 single and \$45 couple
 - If you just show up food will not be provided.
 - Centerpieces are done.
 - USPA National Director Sherry Butcher and USPA Regional Director Randy Allison will be invited and the club will pick up their meal and one guest each. The banquet is open to anyone who wants to come.
6. Dave George let it be known that he has had the last locker painted and has retired. He did mention the refrigerator though.
7. Cassie Drummond said that the club T-shirts are being silk screened
8. Rob Schere said that he will look into getting an air filter for the furnace, since the one on it looks like the original.

New Business:

1. A discussion took place and it was decided that since the next meeting would fall on the banquet we would not have a meeting the month of March. Motioned Cassie Seconded Jimmy, voted in.
2. Safety Day: The ASPC safety day will be on Sunday March 22nd. Paul Waschak asked if any one had any ideas to "spice things up". Randy Persi said that he might be able to give a condensed version of canopy aerodynamics that he has learned through reading and doing CRW.
