

ASPC Minutes: 2/13/2010

Meeting called to order: 7:30pm by President Tim Weigle

Sec Report: The minutes were read and accepted.

Treasurers Report: Cassie Drummond gave a three-month synopsis of what has been happening. She concluded that we were no longer losing money. Henry Landgraff was the cause of most of the red. Henry paid up.

Pop & Beer Report: Ben Kellogg said that he got up the other day and saw his shadow; therefore there will not be a pop & beer report for six more weeks.

Old Business:

1. Cassie Drummond talked to Kay Kuhns and Kay said that the instructors meeting would take place on March 28th at 9 am. With that the other dates to remember are; Safety Day, March 14th, ASPC Banquet, March 20th, ASPC BBQ, August 21st. Cassie also said that Jimmy would conduct recurrency training for the tandem instructors around the instructors meeting.
2. Rob Schere asked about the club roof. The roof needs to be replaced this year or next. Rob asked about the discussion last meeting about getting a steel roof and what it would cost. Tim Weigle said that he would look into the cost.
3. Cassie talked to Dana and he is dropping out of the club since a commute from San Diego just no longer seemed feasible.
4. Ed Hefright was miffed when he found out he got "dumped" by Sam on Face Book when he attended the chilli cook off. They have since reconciled. Our pilot Jim Barger lost at the chilli cook-off. We all agreed that the people who came and judged had "no taste," we think he's a winner.
5. Paul Waschak asked Henry Landgraff about his progress in getting new lights for the clubhouse. Henry said, "Give me another chance, I still gotta talk to the guy."
6. Banquet: a discussion took place followed by some brainstorming about addresses and phone numbers of present and former members of the club as well as former members of Beaver Valley Skydivers. We still need anyone with photos of the past to e-mail them to ASPCreunion@yahoo.com.

New Business:

1. Luis Vargas sent \$25 to the club for the banquet. He said that he would not be able to attend but wanted to be involved in some way. He did say that he would try to make it to the BBQ. He said he would try to send some pictures.
2. A discussion about the snowstorm took place. Everything at the airport is shut down.... Obviously.
3. Randy Persi said that he was going to help run a CRW camp in July at Skydive PA with Cecil Smith. Cassie asked if he would consider doing something at our club with a lower wing loading so we could get a taste of CRW. Randy said that he may be able to do it but needed to get some CRW canopies on loan.
4. Cassie threw out the possibility of a chilli cook-off to make some money for the club. A discussion took place.
