

**ASPC Minutes:** 1/14/2006

**Meeting called to order:** 7:20pm by our new leader Shawn Meyer Who, against all odds, a concerted effort by Cassie Liberatore to keep him from attending, made it to his first meeting.

**Sec Report:** Minutes of the previous meeting were read and accepted.

**Treasurers' Report:** N/A

**Pop & Beer Report:** N/A - Chris said that he wanted to keep the money he had on hand, which raised eyebrows, but he then elaborated that he needed the money for the refreshments at the banquet. Kay commented that Chris did really good, maybe even better than Rick! It was also reported that the refrigerator had frozen over and the freezer hadn't defrosted in awhile. Upon opening the doors there were plenty of "ooh's and aah's" It was decided that someone would look into the situation.

**Old Business:**

1. Shawn Meyer was initiated as president and ran the meeting, with a lot of guidance from the members. Rick Kuhns said that he hopes Shawn will do as well as Bob has over the years. He went on to praise Bob's achievements until several people had to step outside and vomit. Really.... Bob did do quite a bit for the club, better billing, Website, and a good ole ass kicking of those in the red, just to name a few things. Thanks Bob! (He never did get the locker police established though..... Oh well)

2. BANQUET: It will be held February 25th. The price will be \$17 a person \$32 a couple paid in advance \$20 a person \$35 a couple at the door The caterer will be the same ?? And the entertainment will be by Rudy and the Professionals.

3. A discussion took place about the heat run into the club room. It was mentioned that we had discussed this before, however it hasn't been cold enough for anyone to do anything about it. Maybe next year.

**New Business:**

1. Shawn Meyer read a letter from the USPA which was for the group membership fee of \$200. Kay motioned to re-up our membership, seconded by Joanie, motion passed

2. Shawn read a letter from Pete Lands' family thanking the ASPC and the members for all their support. Pete passed away unexpectedly last month. We need to get in touch with his family about his rig that is here. It is a Javelin and has a PD 176 in it. It may be going up for sale.

3. Shawn Meyer reported that he and Cassie Liberatore were taking the coaches course at AeroHio this weekend. He said that they feel they are learning a lot, and Shawn feels that it has been really worth while going. (unless he doesn't pass)

4. Rick Kuhns wanted to make people aware of the new deep mine at the north end of the runway. There is a lot of machinery at it and who knows how many wires are strung across the facility. If you get a bad spot you might wind up over there. He suggested that some of us should go and check it out.

5. Speaking of bad spots; it has been noticed that the "Helen Keller" award for spotting is now full. There should be more space added to it to keep it up. Ryan Hall said that he was willing to update it.

6. SAFETY DAY: is March 12th. We will have our instructor meeting that day.

7. OF NOTE: this is the 20th anniversary of Skydive Ricks in Petersburg. A discussion about how we should celebrate this achievement took place. Ryan Hall suggested a "Fun Meet". It was decided that Ryan and Tom Capiross be put in charge of all "Fun Meets".

8. Shawn announced that the \$72 assessment to everyone's jump bill has been added. He also stated that Bob Tyson gleefully sent out the "Naughty Letters" to those who were in the red. Thanks BOB!

9. Rick Kuhns wanted to thank everyone for the Christmas gifts that he and Kay received.

10. Jared Russell announced that this would be the last Christmas he would spend here. F\*\*K HIM!!
