4. Paul Waschak made it known that Henry Landgraff busted his leg. He rolled his ankle, the doctor said that he could have done it stepping off a curb, and didn't really need to take any "extra effort". The good news is that he'll get out of paying dues for the winter.
5. Kay Kuhns announced that she got an e-mail from Skippy in Iraq. His convoy hit a landmine and blew up the truck in front of him, and damaged his truck, but since he has a hard head he survived. Keep your head down Skippy.
6. Kay Kuhns announced that Jared Russell is working for packing Cathy in Florida (Georgia). He is doing video and training S/L students.
7. Paul Waschak asked Rick about the security light on the corner of the building, which has been going out lately. Rick said that he is waiting for Ryan Hall to help him.

9. Drew Riffle visited Rick in Florida and caught a 4.5 Lbs. fish. The only reason this is mentioned is that it was the first time he used a bait caster, so he owes a Case O" Beer.
