

ASPC Minutes: 1/12/2008

Meeting called to order: 7:05pm by Jimmy Drummond proem President

Sec Report: Minutes were read by Jimmy Drummond and accepted

Treasurers' Report: Read by Tim Weigle pro-tem secretary & Treasure

Pop & Beer Report: Jimmy reported Chris turned over all money to Joanie at year end, nothing new was collected then.

Old Business:

1. Folks were on their way to Lake Wales Boogie. Pete cancelled due to unexpected expenses.
2. Dave G. asked were the offices were. Jimmy gave a brief explanation of where everyone was.
3. Jimmy gave a report on the banquet. Henry asked what time it started and how much it cost. There was discussion on whether banquet flyers would be sent out and who would do it. The banquet information was posted on the web site. There was discussion on what the banquet cost us last year. There was no financial information available from last year so we didn't know if we made or lost money. There was discussion about who the banquet committee was and if they had anything for next year. Jimmy said we usually booked or rolled the deposit over for Angels for Animals Hall. More ideas were exchanged and old business was closed.

New Business:

1. Dave George asked if all the new changes in dues etc. were making progress on ASPC account. Rob asked if we were gaining on the people in the red.
2. Dave G. asked how the finance committee found the books for year end. Tim reported the financial records had not been turned over to the 2008 treasure as of yet so the treasures report was only based on the balance of the last check book stub.
3. Tim said the trustees were only required to audit the books in July of each year. There was some discussion about doing a year end audit so we had good financial information. Dave asked if we could get the bank financial information. Tim reported yes, but it would cost \$2.25 per page. There would probably be as many as 50 pages. After so discussion it was decided with out a motion the trustees would contact the club president and ask him to secure the financial records from the past.
4. There was discussion on the weather for Sunday then the phone rang and it was Kay calling from FI to say hi. Dave talked with Kay and got the FI. Scoop. The runway was very wet from the rain so we probably wouldn't be able to fly off it. New business was closed.

Jump Drawing: It was decide not to have a jump drawing because of the small group and Rick wasn't there to sell tickets. Then we decided that maybe we should have a drawing because Chris wasn't there and we had a chance to win. Dave said he didn't think Chris not being there mattered because he would probably still win it??? Then we again decided not to have a drawing because we didn't want to lose money.
