

**ASPC Minutes:** 1/09/2010

**Meeting called to order:** 7:06pm by President Tim "Crack the Whip" Weigle

**Sec Report:** The minutes were read and accepted

**Treasurers Report:** Was read by Cassie Drummond. Cassie still does not have all the figures yet. Rick and Kay did not bill us for December because they were in a hurry to freeze in FL. Cassie was asked about the "donations" and she explained that they included the "we need a roof jar," t-shirt sales, and stuff that used to be miscellaneous. Tim Weigle thanked Cassie for her efforts.

**Pop & Beer Report:** Ben Kellogg said that we don't need no stinking pop and Beer report.... It's winter! He did start this year with only the money in the cans. Cassie did not have to give him startup money

**Old Business:**

1. BANQUET: Tim Weigle asked how the banquet plans were progressing. Cassie said the cost would be the same as last year. \$25 a person and \$45 a couple. We have a block of rooms under ASPC. The flyers will be made up and the committee will work on them on the 19th at the Drummonds.
2. Winter Trip: a discussion was held and it looks like there will not be a winter trip to AZ this year. At least at this time.
3. Skippy honored us with his presence at Christmas. New years was a bust!
4. The USPA group membership was sent in.
5. There will be an instructor meeting, a firm day has not been set, however, it will NOT take place on Safety Day.

**New Business:**

1. Jimmy Drummond said that if you have some clips for the year-end video, get it to him or Randy by the end of January. Just send the part that you feel is good, as they don't need to watch hours of endless drivel.
2. It was announced that Kay sent a donation to the Salvation Army in the name of Vic Mattavei. Vic was a club member and officer years ago and very involved in club activities. Vic passed away in November.
3. Judy Gwynne's father passed away last month. Kay sent flowers. The club wishes Judy well.
4. The S&TA was told that Safety Day would be March 13th (Which I guess is an appropriate date.) It will start at 9:00 am or whenever I'm damn good and ready.
5. It was wondered aloud that since Dana moved away, what status does that put him in. Limbo and Purgatory were discussed.
6. Dave Kobylars said he was done jumping and desires a final bill. Dave was a pretty decent RW guy and always fun to have around, and a pain in the ass and sometimes a dick but we will miss him nonetheless.
7. Jim Hayhurst and Cheryl Stearns are in Dubai competing. We will know more when they get back.
8. Our pilot Jim Barger will be competing in a chili cook off at the VFW in Columbiana on Sunday January 24. It was suggested to support you DZ pilot!
9. Jimmy Rick and Robb took down the tuffet all by them selves and put it away. They weren't hymmed.
10. A discussion on the swine flu took place and stories were told and symptoms were compared. And people told of how really bad it was. With that it was agreed that the meeting must be over so.....
