**Sec Report:** Minutes of the previous meeting were read and accepted.

**Treasurers' Report:** N/A

**Pop & Beer Report:** N/A

**Old Business:**

1. Bob announced that the Twin Otter would be here on Tuesday the 15<sup>th</sup>. Rick wanted to put a load up early to determine the spot. A discussion then took place about the farmers' crops and potential damage to them from off field landings.
2. Tom Capiross announced that the Fun Meet was no fun to organize and that it was cancelled AGAIN!
3. Jonathan reported that he lost another 2 pounds and weighs 235 pounds on the DZ scale, which is off, which means that he actually lost 5 pounds. Packing in the summer heat should help his cause.
4. BBQ: Flyers have been sent out, Table and chair people needed to be contacted, Skippy will buy a Keg O' Beer, but someone who is of age will have to actually purchase the beer. Kay Suggested that we only get 1 keg and then open the beer fridge after it is gone. Music is set, the balloon idea went over like a lead balloon.

**New Business:**

1. Skippy announced that Jimmy Drummond earned his Private Pilots License July 8<sup>th</sup> and said that we were no longer safe in the sky. Cassie Liberatore said that Skippy had earned Instrument rating July 5<sup>th</sup> and that we were no longer safe in the clouds.
2. Rick & Kay wanted to thank Bob for the idea, Jonathan for the machine, Skippy for helping with the brushes and ladder, and anyone else that helped in painting the design on the hangar. They were hymned. Rick Kuhns reminisced about how it was just last year and how much better the DZ looks now.
3. 4<sup>th</sup> of July Demos: Accolades for Skippy and his announcing skills at Hoppels rodeo. Dave George, who dressed as a clown, was a big hit at the Hudson demo and ground crew at the Trumbull country club. At the Tippecanoe demo Dave was a hit again shaking hands and kissing babies, Dave said; "That's what the people are paying for" (to be entertained) Bob thanked everyone who helped out on the demos, because we got them all done. Kay was grateful that we were able to finagle around the weather. Rick was grateful that Kay was finally off of the ceiling. Rick & Kay jumped into their class reunion to their chagrin they were not announced and few people witnessed it.
4. Cassie Liberatore announced that Jimmy's grandmother did pass away, and that he wanted Cassie to thank everyone for him because he couldn't be here.
5. GENERAL HOSPITAL the Joanie update: Joanie had a perforated ulcer and had surgery on her colon. She is in good spirits. A special thanks to Mike Verbanovic for loaning Joanie a wheel chair and other stuff to make her life a little easier.
6. Bob Tyson suggested a change to the constitution regarding the incentive for money put down on the jump bills. Right now for every \$200.00 put down you are credited for \$220.00 on your jump bill. We are losing money to the tune of around \$1,600.00 a year. A motion was made by Kay Kuhns to lower the incentive to \$10.00 for every \$200.00 put down on the jump bill. Chris Gear seconded the motion. A 25-minute discussion then followed. Ideas to make money for the club. Chris gear suggested a raffle for a 12.5 jumps be made each weekend. Tom Capiross suggested taking pictures of students and selling them to the students. Maggie Less suggested that sponsors to our web site could be charged a fee. The motion was voted on and passed by a majority.
7. It was announced that there would be NO cameras on S/L jump masters' heads while putting out students. We had an incident where the S/L wrapped around the ring-sight of a jumpmaster; we could have lost the plane.
8. Rick Kuhns announced that Drew Riffle was real close to his 5000<sup>th</sup> jump and that Bob Cavellero was close to his 2000<sup>th</sup>.
