Meeting called to order: 9:37pm by Pres. Bob Tyson

Sec Report: Minutes of the previous meeting were read and accepted.

Treasurers' Report: N/A

Pop & Beer Report: N/A

Old Business:

1. BBQ: Bob Tyson reported that everything is set for the BBQ. However, the DJ has changed since Neal has a prior engagement.
2. Pizza: Bob announced that there would be no pizza unless donations were made in advance. Last month Rick & Kay got stuck for \$40 worth of pizza. Jared motioned to take up a collection, seconded by Ken Thomas, motion passed. Wa-La pizza was ordered.
3. Joanie gave an update on her leg. She said she has 1 cm left to go, which means two more weeks of lengthening.
4. Johnathan updated us about HIS leg. He said everything was lined up correctly, and the doctor said it would be about two weeks before the doctor would know how it was healing. He did mention that there was a difference in shrinkage from pain as opposed to cold.
5. Kay Kuhns objected to the club donating \$500 to them for the flood damage suffered in the great flood. She said that FEMA was going to cover a lot of the expenses, and didn't feel it was the clubs place to help out. Kay also wondered aloud how that motion got passed last month. She "Swears to God" that there was no need for a donation.
6. Paul Waschak asked about the Certificates of Deposit. Joanie said that when she gets her leg brace off she'll look into it, but it's sort of difficult right now.
7. Joanie put everyone on notice that if they didn't start putting down their altitudes they would be charge for a 12.5. Bob said that it was in the club rules, and we would enforce it. Dave K said it sounded like the turnpike commission, talking about lost tickets.

New Business:

1. It was announced that Tim Weigle lost his balls at the New Springfield demo into the baseball fields. If anyone finds them it is hoped that they would kindly return them.
2. It was also announced that Kay Kuhns made it through another 4th of July Demo season. Tom Capiroross lost his way on the Columbiana demo and landed off, but he came back safe. Jimmy Drummond said that we should back off of kidding Tom after a couple of weeks, or months. Kay said the she went to Boardman to shop to clear her mind. She made some great kielbasa and kraut. Kay was her'ed.
3. It was reported that an Erie skydiver with over 700 jumps was killed on a demo. He apparently sheared off a utility pole.
4. Rick Kuhns said that Mike Furno wanted the plaque for club members who had donated time towards the club up-dated. Mike happened to walk in at this point. He said that he felt that there were those in the club that needed to be recognized for their contributions to making this place what it is. Names mentioned were Jimmy Drummond, Chris Geer, Rob Schere, and Dave George. Dave George said he thought the idea sucked!!!. Skippy motioned to table the issue until next month. Seconded by Jared. Motion passed.

New Members:
