

ASPC Minutes: 7/10/2010

Meeting called to order: 9:45pm by President Tim Weigle

Sec Report: The minutes were read and accepted.

Treasurers Report: Tim Weigle gave the report and will e-mail the report. Tim said that there was some June stuff on the May report.

Pop & Beer Report: N/A

Old Business:

1. BBQ: Tim Weigle said that we need to get the invitations done. The committee will be Tim, Jimmy, Ben, Barb, and Paul. No DJ this year since we cannot get a hold of Chris Geer. The caterer is set. Kay made a motion to make the price \$23 for a single and \$45 for a couple. Jimmy seconded, passed. Jimmy appointed Henry as the "Beer Nazi." Henry will help clean up the Friday before the BBQ, he would appreciate help.
2. Kay brought up the lights on Dave Norris; she wanted the club to pay for them. Dave said they were donated, some bickering followed and Dave won out. Henry, the former light guy, will install the lights at his leisure.
3. Kay brought up the nationals and said that Shawn was getting a room. Rooms are going fast.
4. Kay said that the DZ would be closed from Sept. 19 –24, unless you kiss Barger's ass to get him to fly.

New Business:

1. Rick Kuhns announced that the training camp would be held July 31 – Aug 8. Come out and fill loads, there will be jumping all day every day that week.
2. Paul Waschak asked about the USPA proxies we filled out last meeting, and they were sent in.
3. Rick said that Larry Hayhurst trained his first class last weekend and did an excellent job. They all lived.
4. Jimmy announced that Dave made his 500th jump in the "buff," he is officially JB #1. It ended with a flyby by Dave. Barb should be given credit to move the tandem students indoors as Dave landed. Dave said; "it was like a balloon in the spokes of a wheel."
5. Ton Capiross made it known that Barb has helped with the tandems all year and has been very helpful. We all appreciate Barbs help.
6. Tim will make one more attempt to get a hold of Eugene.
7. Ron Sarazen asked about water training. We may have water training at Carl Lipps pond, cause we need to do it on a Saturday. Therefore we decided to do it on Sunday Aug 15th, tentatively.
8. Demos: the 4th of July demos went well. Henry made his first jump into Tippecanoe Country Club, and also his first water jump into Salem Country Club. He said his BUTT was water tight. Dave broke a steering line, but did a fine job of making it in; he was just a little long.
