

ASPC Minutes: 06/12/2004

Meeting called to order: 9:32pm by Pres. Bob Tyson

Sec Report: Minutes of the previous meeting were read and accepted.

Treasurers' Report: N/A

Pop & Beer Report: N/A

Old Business:

1. Kay Kuhns said that otter day was still on and jumps would still be \$21, unless the weather "finks out". It would be up to Tim Butcher to make the final decision since it is his plane. Tom Capiross wanted to know if the gutters were all secured.
2. Joanie leg is doing better; the jury is still out on Joanie.
3. Maggie wanted everyone to know that her cousin said that she "did well" in choosing Bob. She did a tandem with Bob as her tandem instructor, and was pleasantly surprised with the feeling, and the jump went well too. Tom Capiross became really interested in Bob's technique. Ernie Kramer said that he now knows why everyone wants to be a tandem instructor.
4. BBQ: Chris Gear says he thinks the caterer will charge about \$9 a person. Neal will be the DJ. The chair rental will be from ABC chairs. Beer will be graciously provided by Cassie Liberatore and Dave "Abe" Abrahamson in celebration of their many firsts over the year.
5. Maggie wanted everyone to know that Chris Gear had brought a new picnic table. Kay said that she needs several people to move it to cut the grass. Rick said that the old table still had a good frame, but that the wood to rebuild it would be costly. Chris Gear said that he could scrounge up some new wood.
6. Water training went well. No one drowned. Thanks to Rodney Freel for the use of his pool and pavilion. Thanks to Jimmy and Grumpy for their help.

New Business:

1. Tom Capiross let everyone know that Ken Thomas's mother passed away. Bob said that flowers were sent.
2. Bill Gwynne has a new nephew, and Joanie has a new grand daughter.
3. Wedding: It is the first wedding ever held at the airport that we know of. Kay said that it went really smooth, so smooth that she plans on getting Maggie and Bob's sisters to help organize other things. All they needed was a pillow case. Kay cried real tears at the wedding. Maggie and Bob were "themed". Paul may have gotten lucky but he's not talking. Kay did crown him as the new airport whore. It starts out with climbing through windows and look how ugly it gets. There may be a loophole to the marriage, they had a marriage license for Columbiana County, but were actually married in Mahoning County. Bob wanted to thank all those who helped, but the list was so long, that he just thanked everyone.
4. Gas Prices are coming down, but time will tell if the jump rates are going up.
5. It was mentioned that we all need to watch our language when we are out catching tandems. There have been instances where some "F-bombs" have been caught on customers' videos. We need to watch our language when we have outsiders in the clubhouse.
6. Rick & Kay wanted to thank everyone for all their help in coping with the flood. There was a lot of water damage and a lot of things that needed to be moved. Thanks to everyone.
7. A motion was made to help Rick & Kay out with their flood expenses, since they were not insured, and we have helped other drop zones out when tragedy has struck. A motion was made by Skippy to donate \$500 to Rick & Kay, seconded by Mark Ungerman, motion passed.

New Members:
