Meeting called to order: 7:17pm by Pres. Bob Tyson

Sec Report: Minutes of the previous meeting were read and accepted.

Treasurers' Report: N/A

Pop & Beer Report: N/A

Old Business:

1. Randy's Pulp Fiction CD was found, right where Skippy had left it to be found.
2. Bob thanked Kay for sending out all the letters to the vendors and getting all the prizes we had at the banquet. She was hymned. Bob also thanked Bill & Judy for the decorations, Randy for getting the Birdman donation, and Jimmy, Cassie, and Maggie for watching the making of the year-end video so many times they puked. Tom Capiross suggested having the banquet somewhere where there is enough parking for the pizza shop and us.
3. SAFETY DAY: Paul Waschak (S&TA) will run safety day tomorrow morning at 10 am. Although Paul has managed to push this duty off on some unsuspecting individual for the last two years, he will be there tomorrow. Dave George will bring doughnuts and Kay will make coffee. Bob sent out a press release to all the local newspapers and TV stations. We will go over the outline in the "Parachutist", have Rick explain things to look for on our gear, and then we will all get to be hung in the harness. Paul and Bill may be exempt from being hung because they both had cutaways in the last two weeks. Jonathan suggested doing practice tandems, and he would be the "student" he called that "Extreme tandems".
4. Maggie asked if we had looked into putting our money in an account that gets better interest. Joannie hasn't had time to look into it yet.

New Business:

1. Luis Vargas announced that he is engaged to Dominique and will be married in 5 weeks. Luis met her in Caracas. Luis says that she likes extreme sports and wants to jump. Dominique is also very attractive, and everyone wanted to know how he lucked out. It must be that Latin "package" he has. It may take awhile for us to meet her because she has to get a spousal visa to come over to the states. Luis was "L"ed because that is what him translates to on Portuguese (and we all know that F*** is pronounced the same in either language)
2. Bob suggested that we send some money to Indiana University Skydiving because they had a fire and lost just about everything they owned. It was suggested that since we made money on the banquet we could send it to the DZ. Kay motioned to send \$200 to Indiana University Skydiving, second by Paul Waschak, motion passed.
3. Tom Capiross suggested that we look into getting smoke alarms in the clubhouse that would send a signal into Rick & Kay's house. Rick thought that it would be a good idea to have them and some CO2 detectors also, since we have guests stay her every year. Tom said that he would look into prices.
4. Rick announced that the restrooms are now open.
5. Rick also announced that he switched out the VCR in the clubhouse with one that he had. The new one has the input jacks on the front, which will make it easier for people to show video.
