3. Rob Schere wanted it known that the video with Nancy Elm, that was shown at the banquet, was appreciated. We'll miss Nancy.
4. BANQUET: Bob gave a report, and it was agreed that this year's banquet was a huge success, either because of, or in spite of those who were in Arizona. The band was really great. The Angels for Animals facility was excellent. It was decided that night that we would use that facility next year, and left the security deposit for the band to have them back.
