

**ASPC Minutes:** 5/22/2007

**Meeting called to order:** 8:38pm by President Shawn Meyer

**Sec Report:** The minutes were read and accepted.

**Treasurers' Report:** N/A

**Pop & Beer Report:** N/A

**Old Business:**

1. Shawn reminded us that the congress was looking into passing "User Fees" for General Aviation, as well as an increase in the gas tax to 70 cents a gallon. Tim Weigle said we should all keep this in mind since it would raise all of our rates. Shawn said that we will have to send something to our representatives when the bill gets closer to a vote.

2. Cassie Drummond asked if there was a report on how the new dues structure was operating. Was it helping or not. Shawn took the bull by the horns and was told to say that the responsible parties would get moving on the project.

**New Business:**

1. Doc made mention that if anyone was planning a Chicago trip this summer they should be aware of a few things. 16-way practice would be taking place and they would be using the planes. The World Freefall Convention has been cancelled so there will be many people looking for someplace else to go. Summer fest will be held the last weekend in July. Rick's will be having the Style & Accuracy camp near the end of July. The weekend of July 21st & 22nd may be a good time to go. In short it may be awfully busy there.

2. Tom Capiross thought that since the female JM's were now giving lap dances on the way to altitude it might be good advertisement, and maybe we should have Bob post it on the web. He also suggested getting an STC for a dance pole. Rick said only if Tom did the paperwork.

3. Kay announced that Skydive Rick's has moved into the 20th century and will now be accepting credit cards. However she made it known that you couldn't use a credit card to put money on your jump bill. The cards accepted will be Master Card, and Visa.

4. Kay announced that the faithful copier that Greg Smith had given them was looking for a new home. If anyone was interested, except for Rick, they could take it with them.

5. Drew Riffle wanted to know if it was wise to have the jump bills posted online. A discussion followed. A motion was made by Rick Kuhns to take the jump bills off of the web-site, seconded by Tim Weigle, motion passed unanimously.

6. Cassie Drummond wanted to know if the people in the red were getting "nasty letters". Shawn said that they would be sent out by the end of the month. So, come out and check your jump bill, or just send some dollar bills in to make sure you don't get a "nasty letter".

7. Jimmy Drummond announced that Kenny Pentrack made his Grand. He was hymmed, and a bottle was passed. Several people with cold sores declined Thank god!

8. Rick wanted it known that Jimmy did some remodeling at the airport. He put siding on the lean to. He was hymmed.

9. Doc gave an anatomy lesson about a dog bite, the patient got bit on the hand and it ripped the tendons off of his elbow. OUCH!
