

ASPC Minutes: 5/08/2010

Meeting called to order: 7:15pm by President Tim Weigle

Sec Report: The minutes were read and accepted.

Treasurers Report: N/A

Pop & Beer Report: N/A Ben Kellogg said; we were in the new season and the stocking process had begun. Cassie Drummond, the new beer nazi, stated that Jeff owes three cases O' Beer.

Old Business:

1. Cassie Drummond raised the roof..... Issue and reported that Jimmy and Ben had calculated that the "worst case scenario" for a new roof would be \$3500. Ben said that the price of plywood is going through the roof! It was also determined that the humps and soft spots needed addressed, so we need to get off our soft asses and bust our humps. Cassie reported that the donation jar had netted us \$496 over the years.
2. Paul Waschak made a motion to re-roof the clubhouse for a cost of no more than \$3500. Seconded by Henry "in search of lights" Landgraaf. Motion passed. A discussion then took place about when to do the project. Dave Norris said that he would donate a dumpster as his part of "Doing the roof."
3. Tim Weigle reported on the members in the red. Molly Howsare, and Johnny Caldwell were contacted. Shane Barr had stated that he wanted to resign from the club and skydiving to raise his family. Tom Check called and said he was finished jumping also, he feels that he physically can no longer jump. We're not sure of Johnny Caldwell since he's become a "big-wig" at skydive PA. We all miss Johnny.
Tim also reported on the jump bills and they are posted up to the end of the month. Tim also noted that locker dues were being assessed. The starter locker is open, and maybe Johnny Caldwell, it all depends on his big-wiggy ness.

New Business:

1. BBQ: Cassies' parents have agreed to cater the BBQ again this year. The prices will be higher since everything is sky high. Paul Waschak is supposed to contact Chris Gear about getting DJ Neal this year. Cassie wants a specific price from the DJ so she can plan better.
2. Jimmy Drummond came to the meeting smelling like a "French whore" he sat next to me and smelled soooo good, I was immediately turned on. But alas it was not for me.

New Members:

Brooks Crane: Introduced by Jimmy Drummond, Brooks has 840 jumps and attended the Air Force academy. His first jump was in Italy and was a tandem. He was on the "Wings of Blue" jump team. He has a lot of experience flying in the tunnel, which he explained to me, it goes up and down and not sideways. They probably didn't want him flying around the DZ. He lives in Pittsburgh and attends Pittsburgh University, which is being paid by our tax dollars, so be sure to get a couple of pack jobs out of him. He is in the active military and is a second lieutenant. He is guarding the southwest boarder of Pennsylvania from the hoard of West Virginiaites swimming across the river. He is getting married to Michelle in August. It was clear why Jimmy smelled so good and was all gussied up, Brooks is a lucky fella. He was accepted after the initiation, and Jimmy's special initiation I'm sure.
