

ASPC Minutes: 11/10/2007

Meeting called to order: 7:15pm by VP Chris Gear

Sec Report: The minutes were read and corrected.

Treasurers' Report: N/A

Pop & Beer Report: N/A

Old Business:

1. SKI TRIP: Ben Kellogg asked when it would be. Ken Pentrack said that it would be in February. The place would be Killington VT. Ken and Cassie said maybe 3 days of skiing. Cassie said it would be about a 10-hour drive.

2. BOOGIE Lake Wales: Cassie said the boogie would run from January 16th through the 20th. She said they would have an Otter, Casa, and maybe a Beech-18. The Casa would have some high-speed passes of over 200 knots. There will be 100-150 people in attendance. The only motel close is the Red Roof Inn, camping is available with showers. So far Pete, Paul, Ken, Jimmy, Cassie, Henry, and Ben have shown interest.

3. Paul Waschak asked Rick Kuhns if he had paid beer for landing the student almost in the office several months ago. Rick said that he had not but grudgingly would open his wallet and put some money in the beer box. Persistence pays off.

New Business:

1. Chris Gear said that the pop fridge would be shut down tomorrow. Rick said that the bathroom would remain open for the time being.

2. Tim Wiegler asked about tearing down the tuffet. Rick said that he needed a trailer. Tim Weigler said he had a trailer that can be used.

3. Chris gear read an e-mail from Bob Tyson; about Club Accounting, Trustees, Treasurer, Vice President, and the banquet. Which set off a huge discussion. Computerizing our finances. We will look into that. Kay mentioned that she could see a problem with accountability as far as not knowing where monies were coming from or going to. No one thought that there was any wrongdoing, however we did need to leave a better paper trail. Tom Capiross wondered if the officers going out communicated with the incoming ones. Rick said that there really aren't a lot of checks written every month it's mostly keeping track of collections and deposits.

4. Kay Kuhns motioned to make an honorary Trustee position, seconded by Ken Pentrack, motion passed unanimously.

5. The discussion continued about having a petty cash fund for the pop and beer and having the treasurer collect the money out of the cans also. Dave George suggested that we were all putting too much into this and to get things started and see where we were. It was agreed and I got me a beer. Moving the banquet to a later month so that Rick & Kay would be able to attend was also

given the Ky Bosch. Kay said it didn't make sense to move it we already had reservations and contracts for the time we normally have it. Paul Waschak agreed, since several years ago nearly half of us were in Arizona and it didn't hurt anyone's feelings.

6. BANQUET: Chris Gear was interrupted several times but managed to tell us that the hall was rented the caterer was reserved and DJ Neal was spinning disks. The date will be February 23rd at the angels for animals' hall. Kay said she would send out requests for donations as usual.

7. Rick announced that there would be no rigging services in January and February this year due to partying frolicking and fishing.

8. Kay Kuhns suggested having the club meeting at an alternative place in the winter where it would be warmer.

9. Kay Kuhns announced that after all the partying frolicking and fishing reserve repacks would increase to \$45.

10. Kay Kuhns read an e-mail from Skippy, he is still complaining about weather. Is he never satisfied? He gets to blow things up eat and piss people off, but it's still all about the weather! Kay also read an e-mail from Luis Vargas. Dominique will give birth to their son Marcel. They are now in Miami, FL, and he still reminisces about Tom Capiross spotting skill. Tom reminded everyone that if they needed their garage door fixed Luis was the man!

11. Kay Kuhns suggested that the video people get together and buy their own disks and have the club reimburse them, and keep track of their own disks.

12. Ken Pentrack gave a demonstration on how to suck on a shook up beer, and I got me another one.

13. Kay Kuhns announced that there would be a Christmas party at their house after next months meeting.

14. Cassie Drummond thought we should thank Dave Norris for the laptop he donated the club; it was unanimous, thanks Dave.
