**Pop & Beer Report:** N/A

### **Old Business:**

1. Cassie reported that most of the people in the red have been cleaned up except for Henry Landgraff, Even Schmidt, and still hasn't heard from Luis Vargas. Ben has volunteered to be the heavy next month. He said he would make sure to contact Henry who is the worst offender, probably in the history of the club.
2. Jim Hayhurst addressed the credit card issue for payment of dues. He suggested a plan where a credit card on file could be used, and if you didn't want a credit card on file you could pay each time. This sparked a discussion as to whether the credit card idea would be feasible in our situation. Kay said that all anyone had to do is contact her or Rick and they could charge it Plus 3%. It was decided that if the rules were better enforced the issue of non-payment would take care of itself.
3. Jim Hayhurst also said that the accuracy camps that Dave Norris suggested last month, but was too hung over the next day to remember, could be held the weekend after safety day next year. A not so firm date of late April. A seminar would be held on Friday night with jumps to take place on the Saturday after.
4. Safety day was scheduled for the day after the banquet, however Paul Waschak said he might be too hung over to comply with that. So Safety day will be held on March 22nd instead.
5. AZ Trip: Is set as February 7-14. The rooms have been booked but you need to let Cassie or Kay know that you are going so we know just how much room we need.
6. Jimmy asked Ben about the smoke detectors and Ben said he needed to get a new smoke detector for the other room. Rick said that he would see about inspecting the furnace.
7. Kay said that SOS jump went well. There were 6 SOS divers and 2 "pups" (which I guess SOS divers call POPS divers) Pilot Jim Barger was over 60 and pup Drew flew the load. It was a 2-point 8-way, and it built the first try. The jumpers were Kay Kuhn's, Dave George, Chris Gear, Chuck "Geronimo" Rice, Skip Napier, Dave Kobylars, and Rick Kuhn's. They were all ASPC club members and interestingly enough were all born in 1948 except for Skip who was born in 1947.

### **New Business:**

1. Cassie gave a banquet report: A committee needed to be formed and some planning took place at the meeting. Kay will send letters to suppliers for prizes. Cassie and Barb Kellogg will send out the flyers. The price will be \$25 a person \$45 a couple. You have to prepay or pay at the door. RSVP's needed. Send checks in care of the ASPC to Cassie Drummond 2412 Bears Den Rd. Youngstown, OH 44511. It's probably not a good idea to send stuff to the airport since the Kuhn's will be fishin'. Price cannot be taken off of jump bill unless you say you are coming and don't show up (unless, of course, you have a pretty good reason).
2. NATIONALS: The Skydive Rick's Team had a 3-peat for first place Rick Kuhn's became national accuracy champion after a two round jump off with Bill Wenger. Cheryl Stearns became Women's Accuracy Champion and over all champion, no jump off needed. Jim Hayhurst won first in style and Jimmy Drummond came in second and they placed 1-2 in the overall standings. The Skydive Rick's team won first place overall. Rick was honored with a ceremony a sash and a tiara on the Rick Kuhns table of truth. A bottle of Champaign was passed around the room.
3. The ASPC's USPA \$200 group membership was due. A motion to re-up the membership was made by Tim Weigle and seconded by Jimmy Drummond. Motion passed.
4. Rick Kuhn's said that since Bill Wenger was such a good sport at the nationals and we all know who he is, that we should consider him in the upcoming elections. We should ALL vote for USPA officers.
