

ASPC Minutes: 11/14/2009

Meeting called to order: 6:50pm by President Pete Nicka

Sec Report: The minutes were read and accepted

Treasurers Report: Was read by Kay Kuhns and was not complete

Pop & Beer Report: Ben Kellogg came late because he was watching the Ohio State game. He didn't even get to see the end. Ben has done nothing but collect money since the last report.

Old Business:

1. Pete Nicka asked Henry Landgraff about the lights for the clubhouse. Henry whined a bit but said that the job is ending now and he ain't as worried about "getting it up the ass", so he's going to "put a bug in the ear" of the guy in charge.
2. Henry Landgraff asked about the winter trip. A discussion was held. It seems that the week of the 14th is the best time to go since several members want to compete in the Valentine's Day Meet there. Kay Kuhns suggested getting reservations at the Skyrider motel since it will fill up fast. 4-way competition with video means 5 per team. The meet starts on the 13 thru 14th. Pete will post a sign up sheet on the fridge.
3. Tim Weigle wanted it known that the ASPC and team Skydivericks did "right well" at the nationals. Jim Hayhurst was 1st in style and overall; Jimmy Drummond was 1st in accuracy. Cheryl Stearns was 2nd in everything in the women's competition. Cassie Drummond finished 8th in accuracy. The team of Cheryl Stearns, Jimmy Drummond, Jim Hayhurst, and Rick Kuhns finished 1st for the 4th year in a row. And Rick cried. The new national team will be Jim Hayhurst, Jimmy Drummond, Bill Wenger and Keith Burgeron. The alternates have not been decided. Cheryl Stearns was a lock for the women's team, of course! Marius "poon dog" Ivascu came in second in accuracy but is not a citizen yet so he was ranked just as a "guest." Rick wanted to thank the club and all its members for all their support. They were themed!!
4. Kay talked to Dave Kobylars and he said to use Thompson's water sealer on the picnic tables instead of polyurethane.

New Business:

1. Tim Weigle asked about the banquet. Cassie has set up a website on yahoo. Pete said he would print up the addresses on the invitations if we could get them to him.
2. Dave George wanted to paint the refrigerator, said it was only a matter of time before the boy kicked him out of the shop.
3. Rick Kuhns stated that there was a problem with the new Ohio state record for most jumps in a 24-hour period. It was published in "Parachutist" that the record was 100 jumps. Bob Tyson was contacted since he had talked to USPA when Cory McKusker and Jimmy Drummond both made more than 100 jumps for Tod's Children's Hospital. "Parachutist" even published that they made the Ohio state record. Kay Kuhns contacted Sherry Butcher. Stay tuned more to come.
