

ASPC Minutes: 9/08/2007

Meeting called to order: 8:30pm by President Shawn Meyer

Sec Report: The minutes were notes taken by Ben Kellogg and interpreted by his wife Barb and they were read and accepted as pretty close to what happened last month.

Treasurers' Report: N/A

Pop & Beer Report: N/A

Old Business:

1. BBQ: Everyone had a good time. Kay was impressed with the way the fun meet was run, she wasn't bothered too much. Having the DJ outside nearer the fire was appreciated by all. Robb Schere commented that Dave Norris's kaeoke was great. Jimmy commented that it was ironic that Robb "Oscar the Grouch" Schere won the F-U-N Meet. Shawn was hymmed for setting up the fun meet. Having canned beer instead of kegs worked out much better. Ken won the 50/50 drawing and wanted to thank all the suckers for buying tickets. We don't know how well we did financially on the BBQ since Joanie was not available to give a report. Special thanks went out to Geronimo for cooking breakfast the next morning, although he said it would probably be his last time. He was hymmed.
2. Tom Capiross popped the cork too soon on his bottle of bubbly several people commented on his premature ejaculation.
3. Kay mentioned that the planes have been loaded better since last month, but stated that all loads going to the same altitude was not a hard and fast rule, just like Tom's Bottle of Bubbly. Kay did say that we should keep up the way we have been manifesting.
4. Rick wanted to thank everyone again for making our guests welcome at the mini camp. Walter from NJ is still here, so we must not be all that bad. Rick also wanted to thank Kay for flying so many loads. Rick also wanted to thank Joannie for being here to help out with video on the landings. Johnny Caldwell (Who was not really allowed to talk) said that having those videos was really helpful. Cassie said that Cheryl Stearns made good on owing her Case O' Beer for her errant landing over the beer line. She not only bought a case of beer but also paid \$20.

New Business:

1. Cassie wanted it known that Rick Kuhns owed a Case O' Beer for landing a student over the beer line and almost in the office. Rick said that he would definitely pay for beer for that one.
2. Cassie announced that she and Kenny Pentrack were looking into having a club ski trip this winter. They suggested up-state NY. If anyone is interested contact Ken or Cassie.
3. Cassie wanted everyone to know that "The Guys" are going to the nationals next week. They were themmed. Bob will have the scores posted on the website.
4. Paul Waschak wanted it known that over the year Ernie Kramer has donated to the Airport Defense Fund and the National Team several times. He thought that everyone should be aware that Ernie has been there for us over the years and that he deserved recognition for doing so. Kay said that it was great to see him ay the BBQ.
5. Tom Capiross made his 3000
6. A discussion was held about the new proposals by congress to change the fee structure of the FAA. Tim Weigle suggested we wait until congress is back in session. Paul Waschak noted that a petition by AOPA was sent to its members, and that he had sent it to Bob to put on the website.
7. Kay Kuhns noted that Skydive Rick's will be closed next week until Saturday.
8. Jimmy Drummond noted that Ryan and Sherry Hall dropped out of the club and that we need

to have a new maintenance man elected. He also suggested that Shawn Meyer could do it since Paul Waschak pimped him out at the Richmond boogie for free jumps.

New Members:

Johnny Caldwell - Johnny did not bring his Case O' Beer. He lives in Pittsburgh and runs a limo service. He has 3000 or so jumps He states that he has two testicles. His dog Ziggy pissed on Cheryl's tent. He jumps a PC from time to time. Kay Kuhns demonstrated to him how to use a condom since he is now about to be single again. He was voted into the club unanimously
